

Together We're Keeping Each Other Healthy

American Bank is continually monitoring the impact of COVID-19 (coronavirus). We are committed to the health and safety of our employees, customers and communities and we have adjusted the way we do business.

- We opened our Chisholm & Biwabik lobbies on Monday, June 1st, with the limitation of two customers in the branch at one time.
- We opened our remaining branches on Monday, June 15, with the limitation of four customers in the branch at one time. Our Orr branch is open with the limitation of two customers in the branch at one time.
- We recommend that customers wear a mask when meeting with employees directly and will be asked to remove the mask to be identified for all transactions.
- Hand sanitizing stations are accessible for customers to use upon entering and leaving the building.
- Our teller stations are equipped with germ shields to protect our employees and customers.
- Customers are asked to use the social distancing traffic flow signage and designated seating areas if waiting for an employee.
- We ask that you do not enter the bank if you have any symptoms of COVID-19, including a fever or cough; or have been exposed to, living with or caring for someone exhibiting these symptoms within the last 14 days.
- We will continue with our routine cleaning and disinfecting of all hard surfaces and all high touch areas. Workstations will be disinfected by each employee after a customer visit.

If you prefer to stay at home and connect with us online, our full range of banking solutions including checking your balance, transferring funds, viewing transactions, depositing a check, making loan payments, and paying bills can be accessed 24/7 from our **online banking** and **mobile app**. You can also call our 24 hr. **telephone banking** line at 1-877-888-6800 or 218-885-8734.
